

TASTING NOTES

ROSÉ 2015

Nevis Bluff Rosé 2015

NEVIS BLUFF

NEVIS BLUFF ROSÉ 2015

WINEMAKING: The fruit for this wine was 100% destemmed and not crushed to retain the lifted fruit characters. It was left on skins for 5 days at around 6-10 degrees Celsius. The juice was then gently pressed to a tank. A vibrant aromatic yeast was added and the wine slowly fermented and halted with approximately 2-3 grams residual sugar which was left in the wine for balance. This lovely dry style of Rosé shows great depth, elegance and style.

VITICULTURE: Taking two of our favourite Pinot Noir clones in the vineyard the fruit for this wine was handpicked and selected.

TASTING NOTES: Made from 100% Pinot Noir, this deep pink Rosé has redcurrant, raspberry and wildflower aromatics followed by a warm rich elegant mouthfeel.
